NON-PROFIT NIGHT CALL TO ACTION GUIDE

Invitations for community involvement by local non-profits presented at the Reno-Tahoe Young Professionals Network's 13th Annual Non-Profit Night.

RenoTahoeYPN.com

The Reno-Tahoe Young Professionals Network (RTYPN) is a local professional membership non-profit organization that seeks to attract and retain young talent in the Reno-Sparks-Carson City-Tahoe community. They accomplish this through vibrant programming surrounding networking, professional development, and community involvement.

Annually over the last 13 years, RTYPN's Community Involvement Committee has hosted an expo-style networking event highlighting area non-profits with the goal of bridging gaps between the needs of these community organizations and the public. The 2021 event was an incredible success with a record 58 non-profit exhibitors and almost 300 attendees. The event was hosted at and sponsored by the National Automobile Museum on May 26th, 2021.

Included in this Non-Profit Call To Action Guide is a record of all exhibiting non-profits, how to contact them, and their request for support.
